**"Therefore, my loved ones, just as you always obey me, not just when I am present but now even more while I am away, carry out your own salvation with fear and trembling.13 God is the one who enables you both to want and to actually live out his good purposes."**

**Philippians 2: 12-13**

"A true understanding and humble estimate of oneself is the highest and most valuable of all lessons."

-Thomas a Kempis

A roof on a house Frank Lloyd Wright had designed, leaked, so the owners took him to court to sue him for what they took to be a faulty design. Wright was put on the stand and asked to identify himself. He declared, "I am Frank Lloyd Wright, the world's greatest architect."

After Wright gave his testimony, he returned to the table where his lawyer was sitting. He expressed dismay at what seemed to be Wright's overestimation of himself. His lawyer pointed out that the jury couldn't help but think Wright was arrogant, and that wouldn't help his defense. Wright responded, "What could I do? I was under oath. I had to tell the truth."

Although Wright wasn't generally a person of humility, he rightly understood that humility and truthfulness can't be separated. The Christian is invited to hold together the two great truths that we are humans deeply flawed by sin while at the same time being redeemed by God's mighty acts in Jesus Christ.

We are to have a humble estimation of our own life while also having a high estimation of what Christ can do in us.

In Christ,

*Pastor Rick Wey*

## Rise Against Hunger Packaging Event Sunday, May 26 - 11:00am-2:00pm

Wesley is partnering with Rise Against Hunger to put on a packaging event. What is Rise Against Hunger? Well Rise Against Hunger is an organization with a mission is to end hunger in our lifetime by providing food and life-changing aid to the world's most vulnerable and by creating a global commitment to mobilize the critical resources. They are committed to ending hunger by 2030. To do this they have many programs including educating and empowering local sustainable farming, crisis relief, and through the meal programs. So what is a packaging event? A packaging event is a fun, educational way for groups to literally lend a hand to people in critical aid need across the globe. We combine an assembly line process with an educational experience to make a huge impact worldwide. They may look like simple bags of rice and soy, but Rise Against Hunger meals represent the hopes and dreams of people worldwide. **So join us May 26 from 11am-2pm for this event which will follow our combined 10:00am service in the Praise and Worship Center.**
