“The Son of Man (Jesus) has come to save that which was lost.” Luke 19:10

“For Ezra had devoted himself to the study and observance of the Law of the LORD, and to teaching its decrees and laws in Israel.” Ezra 7: 10

“To glorify God by being a faithful steward of all that is entrusted to us and to have a positive influence on all who come into contact with Chick-fil-A.” Chick-fil-A mission statement
Our lives, our church, and our communities are all built around a mission of some kind. Whether or not we ever take the time to write down the mission we are pursuing, or we drift through life on a mission to pursue the path of least resistance—the mission will be reflected in our life.

The effort to find new life, revitalizing a church, or salvaging a relationship in our life is always doomed if we settle on trying to maintain what we have. What we need is a clearer understanding of what our mission in life truly is.

Ezra was clear that his life was about the study and observance of the law combined with teaching it to others. The work was significant to him, so any challenges the work brought into his life would be worth it.

The same is true for other people in the Bible, who used the time of their life to pursue the saving mission of God in the world. They looked at the skills they had, the experience and knowledge they possessed, and boldly trusted that God would use their life for something good.

What mission are you pursuing with your whole heart? Does it honor and glorify God? Does it make good use of the gifts and abilities God has given you?

If you have never thought about this, please take the time to pray and seek God's direction in your life and what steps God might want you to take next.

In Christ,

Rev. Rick Wey

Well, time has a way of moving on, so this will be the last official 2019 Garage Sale bulletin announcement asking for your help. Announcements after this will be about what we accomplished in Garage Sale 2019 – and I am hopeful that will take a lot of typing...

Our “Matters of the Moment” are the following:

We need to get the remaining Garage Sale yard signs up, so please take some with you on Sunday as you leave. We want to get as many up in East and South Beaumont as possible, so if you can help on that, please do.

We have a reliable electronics team this year that can thoroughly test and certify all the electronics we sell. Please donate computers, monitors, and TVs, and we can do an excellent job with them – and shop with us too, I think you will be impressed.

We need an adult worker in Books to work with Suzanne Ryan until the end of the sale on June 15.

We need an adult worker to work in the kitchen with Jim Tucker until the end of the sale. We have some volunteers for particular times, so if you can help let us know and we will work out times and schedules.

Email me at charles.c.shelton@gmail.com and let me know if you can help in any of these areas.

Lastly, everyone who works in the Garage Sale can buy things before the GS officially starts. But, the rules are it has to be priced by the person who runs that department, you have to pay the person who runs the department, and you get a receipt for what you paid. That rewards the workers while protecting the integrity of the Garage Sale as a mission project, and is simply a good policy all around.

Hello All! Are you looking for some fun and encouragement this summer? Well look no further because Wesley will be putting on the "Pickin & Prayin" Summer Music Program. This program will be an opportunity from kids entering the 3rd grade to Adults to learn musical instruments from an experienced teacher, Chase Cobb. The lessons will be group lessons offered on Wednesdays starting on June 19th and are at no cost to you. Below you will find a link for registration for this awesome program. Hope you will join us!

Some of us are involved in the garage sale right now, but when you go home and put your feet up, start reading "The Clock Dance" by Anne Tyler. Elaine thought it was a good read, and hopes you do too. We'll meet at noon on June 25 at Bruno's (not the usual third Tuesday!)
