GARAGE SALE VOLUNTEERS NEEDED

Here's how you can help:

- Taking in donations at the class rooms – 4-6, Monday – Thursday. That will go from now until June 12. You can work days that work for you.
- Working in the class rooms pricing donations that will be sold on the Gym floor – during the day, from now until June 9. You can work days that work for you.
- Setting up the Gym for the Garage Sale – June 11 – 13.
- Being part of one of the merchandise sale groups – from now until June 16
- Being part of one of the Garage Sale event teams (cashiers, holding room, kitchen, etc) – June 14 – 16
- Taking down after the Garage Sale. This mostly involves putting tables away and clearing out the Gym, it takes about 3 hours. We have left over stuff picked up by Goodwill, so there is some packing we do to speed that up. The sale ends at 12 noon and we are all out of there by 3 PM with the Gym in good shape.

Let us know what areas you would like to help in and we will work out a position and a schedule that works for you.

**Thanks for being part of our Garage Sale
– Charlie Shelton, Garage Sale Leader**

METHODIST MEN'S BREAKFAST

June 4 - 6:30am - Dining Hall

Long time KFDM-TV Chief Meteorologist, Greg Bostwick, will be the speaker at the June 4th meeting of the Methodist Men. Everyone is invited so make plans to enjoy a great breakfast and fellowship then hear from Greg.

Greg received his education in Meteorology in 1979 and joined KFDM-TV in July, 1979. As you might imagine, it is quite rare for anyone to stay at the same station for that length of time.

In addition to forecasting and presenting the weather on KFDM, Greg also does weather reports on KLVI-AM weekday mornings. He is also a weather consultant for area industry and emergency management.

He has forecasted over 100 hurricanes and tropical storms over the years and take great pride in helping the families of Southeast Texas weather these events. Some of the most memorable storms were Allen in 1980, Alicia in 1983, Bonnie in 1986, Andrew in 1992, Rita in 2005, Humberto in 2007, and of course Ike in 2008 not to overlook hurricane Harvey last year.

Obviously, Rita, Ike and Harvey were the "big" events with those hurricanes causing extensive damage in Southeast Texas. Hopefully the hurricane seasons in the future will be quiet in our area.

Being an Aggie, I am a big supporter of Texas A&M football and you will usually find me and my family at Kyle Field at home games.

I also have a greenhouse and nursery business at my home near Winnie called "Bostwick Farms". I grow and sell plants to area landscapers and nurseries and really enjoy getting my hands dirty.
