FROM THE PASTOR

**“Write a vision, and make it plain upon a tablet so that a runner can read it.”
Habakkuk 2:2**

The main thing I believe we need to work on as a church in the upcoming year is growing our average weekly worship attendance. In the conversations I have had with staff, people at the fellowship gatherings, and church members, attendance has been what they believe is important as well. Our current average worship attendance is 416. The number includes our three Sunday services, Wednesday night Student Ministry worship, and our Wednesday noon communion services. To reach a goal of 650 in average worship attendance we are going to have to do our best and trust that God will give us an even greater increase than we could accomplish on our own. To do this we need everyone in our church to be in worship each week unless they are sick or out of town, Pray for God to send us people that need a church home, and be intentional about inviting people to join us in worship. If we are faithful in this, I know that God will also be faithful and bless in a tremendous way. Back to Church Sunday is September 9th make plans to attend and invite someone to join us on this special day!

-Pastor Rick Ivey

Sunday of Blessing

What a great morning of worship we had on August 12th. It was great to have a time when we could bless the students, teachers, and administrators as they head into the new school year. Thank you to everyone who brought a children's book or donated money to purchase children's books. We will continue to collect books and money for books until 8/20. The books will then be distributed to teachers in our area.

LADIES BIBLE STUDY

Monday, August 20 - 6:30pm - Parlor

Hello Ladies,

This summer, I was blessed by about 20 ladies and the Ruth bible study. We fellowshiped, we prayed, and we dove deep into the scripture. This fall we would like to continue the Monday night bible study to give ladies another opportunity to join a small group. We know that Wednesday evenings do not work for everyone, so we are hoping that Mondays might be better for a few of you. Starting on September 10th at 6pm, we will begin a new bible study, **No Other Gods** by Kelly Minter. "Often, idols are obvious—money, power, fame. But subtler idols can sometimes take the form of sweet loved ones, Instagramable interiors, and busy seasons of ministry. But if your heart is prioritizing any of those pursuits before God, they are taking up space meant for Him alone." This is an 8 week study, each week we will be in the Parlor at 6pm. If you would like to be a part of this study, please let me know as soon as possible so that we can order your book (\$15). If you have any questions, please do not hesitate to send me an email or call.

WESLEY BOOKWORMS

Tuesday, August 21 - 12:30pm - Bruno's

The Wesley Bookworms chose "Same Kind of Different As Me" by Ron Hall and Denver Moore as the book for the Aug. 21 meeting at 12:30 p.m., which has moved to Bruno's Italian Kitchen on Dowlen Road (Patty Edwardsen highly recommends the stuffed mushrooms!). You might recall this book, which also was a 2017 film starring Greg Kinnear and Renee Zellweger. Join us then!

A TASTING FOR SOME OTHER PLACE

Tuesday, August 21 - 7:00pm

Beaumont Civic Center

Tickets \$10

Since 1968 Some Other Place has served the North Jefferson County area by providing emergency assistance to low/no income families who have faced emergency situations. It was decided by the Board of Directors to host this event in hopes that it would become an annual event with all proceeds going to benefit the work of Some Other Place. The last fifteen year's events were HUGE successes with as many as 3,000 tickets sold and over 3,000 people attending. Thousands of dollars have been raised each year to help to insure the continuation of the work of SOP. This is the only fundraising endeavor sponsored by Some Other Place for SOP programming.

Sponsoring and supporting congregations and other supporters of Some Other Place will each host a booth and provide "tastings" of favorite recipes to ticket holders. The Wesley booth will have something delicious to eat and some great fellowship.

Contact Roy Follmer or the church office for more information or to purchase tickets.

Beaumont Independent School District

ROAR

Community Reading Partnership

Want to do some good...AND have some fun?

No, it's not Vacation Bible School! It's much easier than that, because you only play with one kid at a time. It's time to ROAR again—that's Reach Out And Read! It's really easy—just sign in at our partner school, Roy Guess Elementary, and sit down for thirty minutes with a second grader who wants to read like a third grader. Listen to them read, ask a few questions to see if they understood what they read, and then tell them how proud you are of their progress. They feel great, and you feel great, and as our mayor would say, "It's another great day in Beaumont!"

Reading with the kids doesn't start until October 8th, but you'll need a volunteer application from the BISD website filled out and filed before you start so they can check your background. BISD is doing one hour training sessions on Sept. 11th from 9:30-10:30 and again from 5:30-6:30. Check BISD website for additional dates. Here's the link to sign up or just learn more: <https://www.bmtisd.com/roar>

Roy Guess Elementary is Wesley's school partner, so you'll see quite a few WUMC folks out there on campus. Don't want to work with the 2nd Graders? No problem! You can still support our kids and their families by doing one-on-one tutoring or mentoring. Not your cup of tea yet? How about being an aide in the classroom, the library or the nurse's office—or even a front office helper? Just remember, there are lots of ways to show Christ's love, and this little elementary school is a great place to do it!

Sheree Pierce can answer questions for you, and so can I. Let us know what you think!

Dinner - 5:30pm - Dining Hall

Classes - 6:30pm - Assigned Rooms

We are excited to be starting our Fall Bible Study opportunities. Join us for 8 weeks of spiritual growth and fellowship.

Run for God

Leader: Jana Corrick Oliver

Run for God's 5K Challenge is a 12-week Bible study program that allows runners to combine faith and endurance training in a way that helps take people, even those who have never run, through their first 5K.

Short devotion followed by a run/walk at the Folsom Hike and Bike path. Working towards a 5k at the end of the training.

Covenant

Leaders: Megan Campbell and Trevor Guidry

This is the third portion of the Covenant Study - Trusting: LIFE, AS WE ALL KNOW TOO WELL, IS IMPERFECT. Difficulties are inevitable. That's why the final eight-weeks, Trusting the Covenant, looks at the crises that sometimes call covenant life into question, and how we are restored to trust in God when troubling things happen. This module discusses the loss of hope, and how it is restored by faithfulness in the midst of suffering. From the story of Job, to the Hebrew exile, to the apocalyptic visions in Daniel and Revelation, how faithful love is at work in everything—to restore hope, freedom, and wholeness to our lives.

Planning for your Future

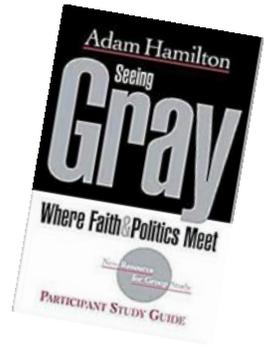

This is a series of different classes to talk about all the different obstacles and options families face when planning for the future. Some of our classes include funeral planning with Broussard's Funeral Home and adoption planning with Cradle of Life.

Seeing Gray in a World of Black and White by Adam Hamilton

Leaders: Rev. Donna Brown and Bev Hoffmeyer
Have you ever been apart of a conversation with someone that had a different view than you? Did you listen? Do you only see in black and white? Come learn how to see the gray in life. How do we find a balance between subject and scripture?

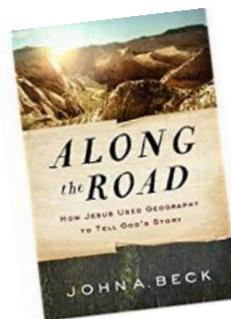

Everyone agrees that America is polarized, with ever-hardening positions held by people less and less willing to listen to one another. No one agrees on what to do about it. One solution that hasn't yet been tried, says Adam Hamilton, is for thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking, seeking instead the truth that resides on all sides of the issues, and offering a faithful and compassionate way forward.

Along The Road by John A. Beck

Leader: Rev. Wade Floyd

In this study we will be going on a journey together as we use the book Along The Road by John A. Beck to look at the Holy Land from a biblical, geographical, and cultural perspective. Dr. Beck was the leader of Pastor Wade's recent trip to Israel who brings context to our understanding of the Bible through

looking at the places much of it took place on. Here is a description of the book, "In Along the Road, John Beck delves into the conversations that would naturally occur if you had walked with Jesus along a first-century road. Journey with Beck as he weaves the Old Testament context of each locale

into Jesus's experience there, and discover how these easily overlooked geographical and cultural details can enhance your understanding of God's Word." From this book and Pastor Wade's time in Israel we will have 8 sessions to look at the ins and outs of the Holy Land, we hope you will join us as we take this journey together.

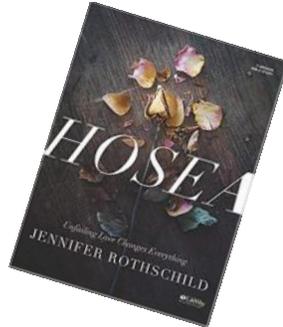

Hosea: Unfailing Love Changes Everything

Leader: Ellen Wiemers

The book of Hosea is deeply personal and a passionate love story, yet it's a difficult story. As an account full of harsh judgment unfolds, we find in its midst a rare and pure gem: the truest and purest of loves.

Hosea, an old-testament prophet, preached his own life message using his marriage as the sermon illustration. The study of Hosea looks deeply at that message. It provides background to better understand the intricacies of the man and his message. You'll be guided to understand, but more especially to apply the message of the prophet of love.

The book will challenge us with judgment so harsh it will singe our hair—an unheeded sermon warning of devastating doom shortly to come. But it will show us the kind of love we dream about. Be amazed by the love of Hosea for his wayward spouse—and more amazed by the unfailing love of God for His wayward people, and for all people. Hosea showers us with hope—hints and portents pointing to the coming of the promised Messiah.

ONE Student Ministries

Leader: Jonathan Martin
Students 6th –12th Grade are invited to a night of worship and fellowship. Meet us in the Youth Building at 6:00pm for dinner followed by worship led by our Youth Praise Band and fun activities.

Leader: Julie Floyd

means to be a disciple of Jesus Christ today!

Nursery Care is provided for children 8 weeks-3 years.
